

FUTURE WORKWEAR

Following the footsteps of previous successful events in the field of textiles and fashion as well as safety and security at workplace, ZENIT GmbH and Enterprise Europe Network (EEN) are pleased to invite you to be part of the event dedicated to workwear.

Be part of exciting workshops, lectures, discussions and matchmakings that are set to take place during this event.

Future of Workwear is focusing both on young and experienced entrepreneurs in the field of safety and security at work, textile innovations, wearables, suppliers and logistics.

Topics addressed:

- Sourcing & Manufacturing
- Sustainable Textile Production
- Medical Textiles
- Wearables
- 3D printing
- Powered Exoskeleton
- Conductive Yarns

We particularly recommend the participation for:

- Manufacturing companies
- Retailers, distributors, sales agents
- Stores, shops, E-commerce Platforms
- Textile suppliers
- Logistics companies
- PR Agencies
- Coaching, marketing and business consultants
- Universities/R&D Institutions

The Top 5 objectives to make your stay a success:

- Meet Partners and Customers
- Discover New Products & Services
- Prepare Purchases or Projects
- Meet New Suppliers
- Get Information about latest's trends
