Alert number

A12/00001/22

The toy has small parts (the eyes) that can detach easily. A child can put them in the mouth and choke. The suction cup contains an excessive amount of an excessive amount of dibutyl phthalate (DBP)(measured value: up to 5.43% by weight). These phthalates may harm the health of children, causing possible damage to their reproductive system. The eyes of the toy contain an excessive amount of lead (measured value: 15 mg/kg). Lead is harmful to human health, accumulates in the body, can cause developmental neurotoxicity and may affect breast-fed or unborn children.

The product does not comply with the requirements of the Toy Safety Directive, REACH and European standards EN 71-1 and EN 71-3.

Kattnakken Junior Rain Jacket recalled due to strangulation hazard**Last updated**

2022-01-19

Summary**Product**

Kattnakken Junior Rain Jacket

Issue

Consumer products » Strangulation hazard

What to do

Consumers should immediately remove the drawstring from the children's upper outerwear to eliminate the hazard.

Affected products

This recall involves the Kattnakken Junior Rain jacket sold alone or as a set (jacket and pants) in sizes 5 through 12 years. The jacket is made of an exterior polyurethane knit with an interior polyester lining. The rain jacket has a zipper, an adjustable hood, snap buttons, welded seams and reflectors.

The following colours and article numbers are included in this recall:

Navy Blue Rain Jacket	1024
Navy Blue Rain Set	212-10-40-056
Orange Love Rain Jacket	1024
Orchid Purple Rain Jacket	1024
Pink Rain Jacket	1024
Yellow Rain Set	212-10-20-078

Issue

Drawstrings on children’s upper outerwear can become caught on playground equipment, fences, or other objects and result in strangulation, or in the case of a vehicle, the child being dragged.

As of January 17th, 2022, the company has received no reports of incidents or injuries related to the use of this product in Canada.

What you should do

Consumers should immediately remove the drawstrings from the Kattnakken Junior Rain Jacket to eliminate the hazard.

For more information, consumers can contact NorseKoden by telephone at 604-765-5139 between 8:00 am – 10:00 pm PST, by [email](#) or visit the [company website](#).

Please note that the Canada Consumer Product Safety Act prohibits recalled products from being redistributed, sold or even given away in Canada.

Health Canada would like to remind Canadians to report any health or safety incidents related to the use of this product or any other consumer product or

cosmetic by filling out the [Consumer Product Incident Report Form](#).

This recall is also posted on the [OECD Global Portal on Product Recalls website](#). You can visit this site for more information on other international consumer product recalls.

KidORCA Hard Shell Rain Jacket recalled due to entanglement and vehicular dragging hazard

Last updated

2022-01-19

Summary

Product

KidORCA Hard Shell Rain Jacket

Issue

Consumer products » Entanglement hazard

What to do

Immediately remove the drawstrings and toggles from the bottom of the jacket, by cutting both sides of the cords, to eliminate the hazard.

Affected products

This recall involves the KidORCA Hard Shell Rain Jackets model #2021, sold in children's sizes 3 through 10. The jacket is designed to be a waterproof shell layer and is available in five colors: ash rose, black, merlot, olive and navy. The KidORCA Hard Shell Rain Jacket features fully taped seams, waterproof zippers, waterproof contour, fleece lining, and an adjustable stay-on brim hood.

Issue

Drawstrings on children's upper outerwear can become caught on playground equipment, fences, or other objects and result in strangulation, or in the case of a vehicle, the child being dragged.

As of January 18th, 2022, the company has received no reports of incidents or injuries related to the use of this product in Canada.

What you should do

Consumers should immediately remove the drawstrings and toggles from the bottom of the jacket, by cutting both sides of the cords, to eliminate the hazard.

For more information, consumers can contact kidORCA by [email](#) or visit the [company website](#).

Please note that the Canada Consumer Product Safety Act prohibits recalled products from being redistributed, sold or even given away in Canada.

Health Canada would like to remind Canadians to report any health or safety incidents related to the use of this product or any other consumer product or cosmetic by filling out the [Consumer Product Incident Report Form](#).

Carrément Beau Raincoat recalled due to entanglement and vehicular dragging hazard

Last updated

2022-01-24

Summary

Product

Carrément Beau Raincoat

Issue

Consumer products » Entanglement hazard

What to do

Immediately remove the drawstrings from both sides of the raincoat waistband, cutting and removing all cords, to eliminate the hazard.

Affected products

This recall involves the Carrément Beau Raincoat sold in navy, with two red and white front pockets with snap closure system. An interior label details the model number (Y16090) and the company's identification number (RN: 113746, CA: 42203). The raincoat has a front zip closure and a fixed hood.

Issue

Drawstrings on children's upper outerwear can become caught on playground equipment, fences, or other objects and result in strangulation, or in the case of a vehicle, the child being dragged.

As of January 18th, 2022, the company has received no reports of incidents or injuries related to the use of this product in Canada.

What you should do

Consumers should immediately remove the drawstrings from both sides of the raincoat waistband, cutting and removing all cords, to eliminate the hazard. Consumers may return the item to the store of purchase for a refund.

For more information, consumers can contact L'Enfantillon by telephone at 450-978-9199 or by [email](#).

Please note that the *Canada Consumer Product Safety Act* prohibits recalled products from being redistributed, sold or even given away in Canada.

Health Canada would like to remind Canadians to report any health or safety incidents related to the use of this product or any other consumer product or cosmetic by filling out the [Consumer Product Incident Report Form](#).

Hoppetta 2-Way Gauze Sleep Bag recalled due to Flammability Hazard

Last updated

2022-01-27

Summary

Product

Hoppetta 2-Way Gauze Sleep Bag

Issue

Consumer products » Flammability hazard

What to do

Immediately stop using the recalled 2-Way Gauze Sleep Bag and discard, or return to Baby Square for a refund.

Affected products

This recall involves Hoppetta 2-Way Gauze Sleeping Bags made 100% cotton, available in blue, pink, rabbit, and polka patterns. The garment is designed as a 2-way sleep bag for children 3 months to 3 years, transforming from sleeper to dressing gown. The sleep bag is approximately 35 cm in width and 58 cm in length.

Issue

Health Canada’s sampling and evaluation program has determined that these products do not meet the flammability requirements for children’s sleepwear of the *Children’s Sleepwear Regulations*.

Loose-fitting children’s sleepwear can contact ignition sources such as stove elements, candles, and matches more readily than tight-fitting sleepwear, and once ignited will burn rapidly, potentially resulting in severe burns to large areas of the child’s body.

As of January 21, 2022, the company has not received any reports of incidents or injuries in Canada.

For information on what makes safe sleepwear, visit the Healthy Canadians [Children’s sleepwear safety page](#).

What you should do

Consumers should immediately stop using the recalled 2-Way Gauze Sleep Bag and discard, or return to Baby Square for a refund.

For more information, consumers can contact Baby Square by email at info@babysquare.ca or visit the company website at www.babysquare.ca.

Please note that the *Canada Consumer Product Safety Act* prohibits recalled products from being redistributed, sold or even given away in Canada.

Health Canada would like to remind Canadians to report any health or safety incidents related to the use of this product or any other consumer product or cosmetic by filling out the [Consumer Product Incident Report Form](#).
